Sir:

This is an Information Disclosure Statement submitted in compliance with the timing requirements of 37 C.F.R. §1.97(c)(1), i.e., after the mailing of a first Office Action on the merits, but before the mailing date of a final Action or Notice of Allowance.

Attached is a copy of one Japanese patent publication, which was cited by the State Intellectual Property Office of the People's Republic of China in an Office Action, mailed on November 5, 2004, in connection with a counterpart application. Any relevance of the publication may be gleaned from the attached English-language abstract. The publication is listed on the attached Form PTO-1449.

It is hereby certified that each item of information contained in the Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

Since this Information Disclosure Statement is being filed with certification and before the mailing date of a final action or Notice of Allowance, no fee is required, and the requirements of 37 C.F.R. §§1.97 and 1.98 are deemed to be fully met as to all documents listed. Consideration of the listed document respectfully is requested.

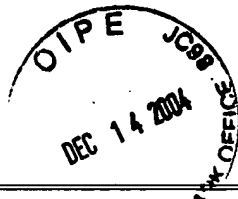

Respectfully submitted,
